

Dear Parents,

The Jean Vanier Parent Council is working on your behalf to make Jean Vanier a vibrant, fun and faith-filled school community now and into the future.

Who is on the JV Parent Council?

The JV Parent Council is currently made up of a chair (Connie Gray), a secretary (Geoff Adamson), parent volunteers (Kim Jeurond and John Fisher), principal, a teacher rep, a non-teaching staff rep and student representative.

For a current list of the JV Parent Council's membership and contact information and for copies of meeting minutes, please contact the School Office or visit the "For Parents/Catholic School Council" page on the [Jean Vanier Catholic High School](http://jva.schools.smcdsb.on.ca) website (jva.schools.smcdsb.on.ca).

What is the purpose of the JV Parent Council?

Although the JV Parent Council is still at a very early stage of its development, our focus is to engage parents and students in identifying opportunities that we wish to pursue and strengths we wish to build on.

These actions will provide a positive voice for Catholic education in our community while fostering strengthened relationships among families, staff, parish and the community within our high school.

This is an opportunity for you to share your ideas and thoughts with your JV Parent Council on important opportunities to pursue at Jean Vanier Catholic School. We look forward to hearing from you.

Sincerely,

Your Parent Council
